

About aLife Mothers' Assistance (ALMA)

- Child between **0-2 years old**
- Per capita income of family is **\$650 and below**
- Family is **not** receiving milk & diapers assistance from other organizations
- Milk & diapers requested will be supplied according to aLife's procurement policy
- Family to be comfortable with **ad-hoc photo-taking** of child for development tracking purposes and fundraising needs*
- Clients with **alternative milk choices** will be asked to switch to the standard supported milk brands - once the child turns 1 years old

1.6kg -1.8kg of milk and 2 packs of diapers will be provided during each visit

Child to be present every visit for sighting of well-being and development

15-20 minute befriending with volunteers monthly

Close communication between befrienders, aLife Caseworker and referral SSA in cases of concern

Ad-hoc baby products, donated items and opportunities for family bonding activities are provided to the family
